

## CompanySound.com | We are your voice. Be Heard.

Thanks for your interest in a custom audio production for your business telephone system.

### Custom on-Hold Message

At Company Sound we make it easy - we use Blurbs™.

**What's a Blurb™? A Blurb™ is a short summary, 50 words or so, about your business.**

SAMPLE: While you're waiting, let us remind you that your success is our success, and we'll do anything we can to help you accept all forms of payment effortlessly and profitably. Our new cash advance program might be just what you need. Ask for more information, when we come back on the line.

**Each Blurb™ includes up to 50 words, so it's easy to choose how many Blurbs™ you need:**

**Choose 3 Blurbs™ for \$150 or 5 Blurbs™ for \$250.**

Packages include:

- Script Writing or Submit your own
- Up-front pricing and easy Ordering
- No contract, one-time service
- Choice of Male or Female voice talent
- Lifetime Message licensing
- 100% Satisfaction Guarantee
- Super Fast turn-around time
- Unlimited Musical Remixes - exclusive Online Message Mixer™

### Custom Phone Prompts
